Contacted Martina RE: Charlene/Charlotte & they are continuing to follow-up. Sorry to report however that my own best thinking that refusal to receive medical care for 'serious' physical problems could constitute "danger to myself" thus making the individual eligible for a 5150 hold & treatment does not compute !! Martina shared a very serious case of a woman's leg injury & infection but nothing could be done as the lady refused treatment. So very sad that many needy & hurting folks are in this state of isolation & resistance to assistance. Please remember these dear ladies in your prayers as we "Stay the Course!"

Blessings,  
Steve
